

About Donn

Donn has been with Peak Trust Company as Chief Compliance Officer since 2011 and the financial services industry since 1981. Donn brings broad experience with IT back-office systems integration, transaction monitoring, and business process engineering to the CCO role. His primary responsibility is focused on the continuous development and oversight of the Company's regulatory and fiduciary best practices compliance program, reporting directly to the Board of Directors' Audit Committee.

Before joining Peak Trust Company, Donn served as CIO for a Pacific Northwest brokerage firm. He was an entrepreneur founding his own systems integration firm providing document imaging, CRM, and business intelligence programs to financial services, medical, and government businesses. He is a key member of the Fiduciary Investment Management Association (FIRMA) where he leads a peer group roundtable and delivers training sessions at annual FIRMA conferences. Donn holds the Certified Fiduciary Risk Investment Specialist (CFIRS) designation from Cannon Financial School.
